

Presents

PHARMACOLOGY UPDATE

(APRN Rx approved)

TARGET AUDIENCE

This educational activity is designed for registered nurses and advance practice registered nurses (APRNs) working in various practice settings.

LEARNING OUTCOME

To increase the participants' knowledge base regarding the most current, evidence-based pharmacological management of common medical conditions.

OBJECTIVES

At the conclusion of this educational activity the participant will be able to:

1. Evaluate treatment options for optimal blood pressure management of patients with multiple co-morbidities.
2. Utilize specific combinations of antihypertensive medications to optimize blood pressure management in complex patients.
3. Evaluate potential drug/drug and drug/disease interactions when managing patients with HTN.
4. Develop strategies for avoidance of dangerous drug interaction.
5. Identify 10 medication combinations that are involved in drug interaction.
6. Identify the most common CYP450 drug interactions involving common medications.
7. Describe pharmacotherapeutic actions of PCSK9 Inhibitors.
8. Identify candidates for PCSK9 Inhibitor Therapy.
9. Discuss appropriate and safe prescribing practices for PCSK9 Inhibitors.
10. Discuss migraine diagnosis criteria.
11. Evaluate prophylactic (preventative) and abortive (acute) medication treatment options for migraine management.
12. Identify migraine pharmaceutical agents on the horizon.
13. Understand new and emerging pharmaceuticals for the management of type II diabetes.
14. Review updated clinical guidelines for the treatment of type II diabetes.

COURSE DESCRIPTION

Each year, we offer an exclusive Pharmacology Update program approved for both RNs and APRN's with no additional fees to attend. This November, we will continue this trend in hopes that nurses at all levels and in all fields will take advantage of this amazing deal! And it gets better! We are excited to announce that Dr. Amelie Hollier, nationally recognized NP pharmacology presenter, will be joining us for part of the day to discuss hypertension management and drug interactions. You don't want to miss Dr. Hollier's dynamic, interactive teaching style. We are also honored to have one of our own nursing professors and two local physicians join us to address cholesterol inhibitors, migraine treatment, and diabetic management.

All 5.0 continuing education hours are approved for both RNs and APRN Rx.

AGENDA

November 17, 2017

- | | |
|-------------|---|
| 7:30-8:00 | Registration and Continental Breakfast |
| 8:00-8:05 | Welcome and Announcements
<i>Robbie Stefanski, MSN, RN</i> |
| 8:05-9:05 | What's New with Hypertension? Treating Complex Patients in Primary Care

| 1:25-1:35 | Break |
| 1:35-2:35 | Emerging Strategies in Type II Diabetes Management
<i>P. Dale LeLeux, MD</i> |

CONTINUING EDUCATION

University of Louisiana at Lafayette College of Nursing and Allied Health Professions is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Louisiana State Board of Nursing – Provider # 9.

To receive 5.0 contact hours, the participant must attend the entire program, and complete and submit the Contact Hour and Evaluation forms.

DISCLAIMER

American Nurses Credentialing Center (ANCC) accreditation applies only to the educational content of the program. University of Louisiana at Lafayette College of Nursing and Allied Health Professions Continuing Nursing Education Program and ANCC Commission on Accreditation does not approve or endorse any product.

SPECIAL NEEDS

University of Louisiana at Lafayette will seek to accommodate persons with special needs. If you have a special need which may require accommodations, please notify Continuing Nursing Education, (337) 482-6682 or email nursing_ce@louisiana.edu five (5) days in advance to make arrangements.

FACULTY

Amelie Hollier, DNP, FNP-BC, FAANP

Dr. Hollier is a nationally certified family nurse practitioner. She is CEO and co-owner of Advanced Practice Education Associates (APEA). She is a nationally sought-after speaker and expert on Nurse Practitioner practice issues, travels extensively throughout the U.S. presenting on-site certification exam review courses, and lectures on advanced pharmacology and primary care topics. She currently serves as Editor of CareOnPoint, an online tool for primary care practitioners. Dr. Hollier has authored and co-authored twenty books for primary care providers, including the new *Clinical Guidelines in Primary Care: A Reference and Review Book*, a national best seller. She is a Fellow in the American Association of Nurse Practitioners.

Christy M. Lenahan, DNP, MSN, APRN, FNP-BC, CNE

Dr. Lenahan is an Assistant Professor of Nursing and Graduate Faculty at University of Louisiana at Lafayette. She is also a board certified Family Nurse Practitioner through the American Nurses Credentialing Center and actively practices with Schumacher Clinical Partners. Dr. Lenahan received her BS in Nursing from University of Louisiana at Lafayette in 2002 and her MS in Nursing and Doctor of Nursing Practice from University of South Alabama in 2007 and 2014. Dr. Lenahan has taught in several nursing curriculums at University of Louisiana at Lafayette including the BSN, RN to BSN, MSN, and DNP. She has taught pharmacology in both the BSN and MSN curriculums and continues to teach pharmacology in the MSN curriculum.

Kevin R. Hargrave, MD, MBA

Dr. Hargrave is the medical director of the Neuroscience Center of Acadiana at LGMC and co-director of the Sleep Center of Acadiana at LGMC. He is board certified neurology, sleep medicine, and neuroimaging. He completed medical school at LSUHSC in New Orleans in 1996, residency training at Penn State College of Medicine/Hershey Medical Center in 2001, and completed a MBA in healthcare administration from University of Louisiana at Lafayette in 2011. Interests in neurology include Parkinson's, DBS surgery for PD, the interrelationships between sleep apnea and stroke, and others.

P. Dale LeLeux, MD

Dr. LeLeux earned his Doctor of Medicine, with honors, and master's degree in Medical Science from American University of the Caribbean School of Medicine at St. Maarten (Netherlands Antilles) and completed his residency through LSU. He earned a Bachelor of Science in Chemical Engineering from University of Louisiana at Lafayette. Dr. LeLeux previously served as a nuclear machinist mate in the U.S. Navy. Currently, he practices in his hometown of Crowley, LA and is certified in Internal Medicine. Dr. LeLeux's adult-patient services include endoscopic evaluations, diabetic management, and high blood pressure control.
