

Nursing Update Series 20-21

Pharmacology Update

**3.0 Contact Hours
APRN Rx Approved**

Recorded webinar from
11/6/20 is now available for
viewing at your own time,
pace, and convenience.

The recorded webinar from the live program that aired on 11/6/20 is now available for viewing at your own time, pace, and convenience. Scroll to the bottom of this email and click on the link to our CNE Center to view and earn 3.0 APRN Rx contact hours.

On November 6, 2020, Brett Snodgrass, FNP-C, CPE, FACPP, FAANP, national presenter and seasoned nurse practitioner, presented the latest information in pharmacology with a focus on primary care medications.

Target Audience

This educational activity is designed for Advanced Practice Registered Nurses (APRN's) and Registered Nurses who practice in a variety of healthcare settings. The content of this activity would be of value to any healthcare professional.

Program Objectives

1. Describe updated guidelines that are useful for treatment of prevention of common diseases seen in primary care.
2. Describe changes in patient management related to use of new branded and generic medications.

3. Understand the latest 2019 ACC/AHA blood pressure guidelines in adults to guide medication choices.
 4. Evaluate and compare changes in recent immunization schedules and updates.
-

Continuing Nursing Education Information

This program is approved for 3.0 contact hours, APRN Rx Approved.

To receive 3.0 contact hours, the participant must complete the following:

- View the entire recorded program which can be completed at the participants own pace. Recording can be started and stopped at anytime. Participants can log back in and fast forward to their previous stopping point in the video.
- Complete the post-test (which is the same as the pre-test) and pass the post-test with a score of 80% or more.
- Complete the demographic information.
- Complete the post-program evaluation.

Certificates of completion will be issued via the CNE Center immediately after the above criteria is met. Certificates of completion can be downloaded, printed, or saved in the participant's CNE Center account. These saved certificates can be accessed at anytime via the participant's CNE Center account by clicking on "Archived Certificates".

PROGRAM FACULTY

Brett Snodgrass, FNP-C, CPE, FACPP, FAANP **Nurse Practitioner and National Presenter**

Ms. Snodgrass has been a Family Nurse Practitioner for 13 years, practicing in multiple settings. She is the Palliative Medicine Clinical Coordinator for the Baptist Healthcare System in Memphis, TN. She is also the owner of BBS Health Education – where she creates and presents continuing education for healthcare providers, both live and online. She is a nationally recognized nurse practitioner speaker and teacher. She is an award-winning healthcare blogger – The NP Mom. Her blog offers answers to patient's questions they often forget to ask! You can visit her

blog at www.thenpmom.wordpress.com. Brett is a chronic pain expert, working for more than 20 years with chronic pain patients in a variety of settings. She is board certified with the American Association of Nurse Practitioners, where she is currently the TN State Representative. She is also a Fellow of the American Association of Nurse Practitioners. Brett received the 2015 AANP State Excellence Award for Tennessee for her work across the state on the TN Chronic Pain Task

Force, as well as advocating for TN Full Practice Authority for Nurse Practitioners. She was also awarded the 2017 Memphis Business Journal Healthcare Hero Award.
